📍 Dubai, UAE

Damascus, SYR

Summary

Passionate about creating visually appealing, user-friendly designs, and turning creative ideas into impactful digital experiences. Enthusiastic about crafting innovative solutions.

Proficient in a wide range of technologies, with a strong ability to quickly adapt and learn new tools and techniques.

Experience

Sustayn

(Dubai, UAE) Sep 2025 – Present

◆ Head of Creative & Digital Production | Remote

- Led the design and development of Sustayn's official website, delivering a modern, high-performance digital presence aligned with the company's brand.
- Designed and delivered multiple client websites through Sustayn, primarily using **WordPress**, focusing on clean UI/UX, responsiveness, and performance optimization.
- Managed and executed **Meta advertising campaigns**, including audience targeting, campaign optimization, and performance monitoring.
- Created supporting ad creatives and digital content for marketing campaigns and client projects.
- Collaborated directly with the business owner to shape the company's digital strategy, improve service delivery and business growth.

Rich Stars Real Estate

(Dubai, UAE) Jul 2025 – Sep 2025

◆ Web Developer & Tech Manager | Remote

- Designed and developed the company's official real estate website using **Wix**, ensuring a modern, responsive, and user-friendly interface.
- Provided technical support and guidance for internal digital tools and workflows.

Petroleum Tech Equipment (PTE)

(Dubai, UAE) May 2025 – Jul 2025

◆ Frontend Developer & IT Consultant | On-site

- Developed the corporate website for ARAHA Trading, a partner company of PTE using **ReactJS**, focusing on responsive frontend design and usability.
- Provided IT consulting and technical support for internal systems and day-to-day operations.

International Network Businessmen Services

(Dubai, UAE) Jan 2025 – Apr 2025

◆ Frontend Developer & Office Manager | On-site

- Developed two company websites, including the main corporate site and a dedicated real estate platform using **ReactJs**, delivering modern, responsive UI/UX.
- Managed the company's social media, IT operations, and administrative processes, ensuring smooth technical and office workflows.

Remote Projects

(Dubai, UAE) Oct 2024 – Dec 2024

◆ Frontend Web Developer | Remote

- Collaborated on the development of multiple frontend web applications.

Freelance Web Designer

(Damascus, Syria) 2023 – 2024

◆ Self-Employed | Remote

- Designed a variety of visually appealing websites, focusing on sleek design, and functionality.
